Professional Positions

Licensed Professional Counselor-Supervisor, Synchronicity Counseling, Helotes, Texas

Part-time status: September 2014 – present

Duties: Counsel children, adolescents, adults, and families regarding various mental health issues. Assess, diagnose, and treat mental health disorders. Collaborate with clients to establish measurable goals and implement treatment plans to achieve an optimal level of mental health. Specializations include: gender affirmative care, cognitive-behavioral therapy, and play therapy.

Intensive Case Manager, Cenpatico Behavioral Health, San Antonio, Texas

Full-time status: March 2015 – May 2018

Duties: Provide quality case management services to enrollees with severe mental health disorders who frequently utilize inpatient services. Assist with the implementation of policies and procedures regarding case management and utilization management functions, conduct

appropriate knowledge/education and interventions for members to be at risk, participate in on-going communication between case management staff, utilization management staff, and external stakeholders, conduct facility visits to assess barriers to stabilization, and maintain HIPAA compliance.

Supervisor: Jeriva Traylor, LPC

Director of Behavioral Health Services, MedCenter Work Recovery, San Antonio, Texas

Full-time status: Lead Counselor, June 2011 - June 2013/Director, June 2013 – September 2014

Duties: Conducted initial clinical interviews, administered psychological assessments, completed behavioral and pre-surgical evaluations, provided individual and group counseling, developed treatment plans, completed case notes, participated in multidisciplinary weekly staff meeting to discuss patient status, interviewed/hired/ supervised administrative and behavioral health staff, referred clients for continued counseling.

Supervisor: Richard Evans, PT

Behavioral Intake Counselor/EAP Specialist, OptumHealth, San Antonio, Texas

Full-time status: September 2009 – August 2011

Duties: Performed telephone intakes, administered risk assessments for substance and alcohol use, provided solution focused consultation to deescalate crises, determined member eligibility and benefits, made counseling referrals, triaged urgent cases, and processed requests for counseling. Assisted members in accessing providers and connecting members with Care Advocates/Managers.

Supervisor: Judy Goblirsch, LPC-S

Counseling Intern, Association for the Advancement of Mexican Americans, San Antonio, Texas

Full-time status: May 2009 – September 2009

Duties: Conducted individual and family therapy sessions, prepared treatment plans, administered assessments, maintained weekly case notes, and attended clinical staffing.

Mental Health Services Senior Probation Officer, Bexar County, San Antonio, Texas

Full-time status: February 2007 – May 2009

Duties: Monitored a caseload of offenders who were diagnosed with a mental health disorder; including conducting weekly home, school, and office visits, and preparing chronological reports to document progress for court proceedings and treatment purposes; conducted social history investigations; developed individual treatment plans; counseled juveniles and their families; referred juveniles and families for outside services; administered drug tests; facilitated and/or coordinated education/awareness groups; prepared and file court papers such as requests for petitions, motions to modify dispositions, and affidavits requesting a directive to apprehend, and served summonses; represented the department at court hearings and detention hearings.

Supervisor: Raul Ureste, LPC

Counseling Intern, St. PJ's Counseling Center, San Antonio, Texas

Part-time status: August 2006 – May 2007

Duties: Counseled individuals, families, couples, and groups regarding various mental health issues. Assessed, diagnosed, and treated mental disorders, specifically those affected by abuse, neglect, and/or trauma. Collaborated with clients to establish measurable goals and implemented treatment plans to achieve an optimal level of mental health.

Supervisor: Stuart Young, LPC

Mental Health Tech III, Southwest Mental Health Center, San Antonio, Texas

Full-time status: September 2006 – November 2006

Duties: Taught at-risk youth alternative ways to utilize proper anger management skills and assisting them in treatment plans to decrease negative behaviors. Assisted in teaching adolescents everyday living skills to prepare them for a more successful future; activities consisted of communication skills, eating habits, and laundry responsibilities.
Supervisor: Leticia Canchola, RN

Counselor-In-Training, University of Northern Iowa, Cedar Falls, Iowa

Practicum Student: January 2006 – May 2006

Duties: Provided therapeutic services during one (8-hour) day per week for the spring semester at the University of Northern Iowa Counseling Center under live supervision by a UNI professor and four other practicum students. Each of the sessions were also videotaped and reviewed for feedback by the UNI professor and students. Participated in the disposition of cases, dialogued about the diagnosis of clients, prepared treatment plans, wrote case notes, and researched client issues.

Supervisor: Dr. Terry Kottman

Graduate Assistant, University of Northern Iowa, Cedar Falls, Iowa

Part-time status: August 2005 – May 2006

Duties: Monitored use of the Counseling Resource Room, assisted professors and the departmental secretary, helped with library research, provided guidance to students with scheduling, coordinated class activities in the absence of a professor, assisted with conference or workshop coordination, and participated in advisory committee meetings.

Supervisor: Dr. Ann Vernon

Teaching Experience

Teaching Assistant: Sensation and Perception, Fall 2003

Duties: Constructed quarterly exams and weekly quizzes, prepared class readings, graded exams, communicated with students via e-mail, and maintain class grade records.

Supervisor: Dr. Otto MacLin
